1.2. Membership

For the season 2013–2014, the Kew Cricket Club Inc. had 74 VSDCA senior players; 34 veteran players; 14 Hatch players; and 19 BHRDCA T20 players. Other members include 25 surviving life members and 25 non-playing members. The total membership of the Kew Junior Cricket Club was 245 players.

2. President's Report

Ian Wallace

Season 2013–14 started with the opening of our renovated pavilion on our main ground at Victoria Park. Thanks to the Boroondara council for our facilities, which are amongst the best in sub-district. Shane Cosstick, our curator, again did a great job with our wickets and the outfielders were excellent.

The highlights of the season were the 150th celebrations at Green Acres golf club and the 2nd XI finally winning the flag. Steve Whitelaw and his assistants did a great job with the 150th and we all had a great night. My personal highlight was the table with Cec Austin, Alan Fanning and Ken Jeans and their families. They all played in our 1954–55 premiership side and Cec and Ken made our team of the century.

Nick Padbury led the 2nd XI to a well-earned flag in the grand-final at Plenty Valley. The 2nd XI have been strong for a long time so it was nice to win a grand-final. My thanks to all our supporters who turned up to the game so that we outnumbered those from Plenty Valley.

We lost our captain coach Francis Gill halfway through the year due to a transfer to Darwin with work. Obviously this was a big loss for the 1st XI and Daniel Gledhill stepped into the role and did a good job for the rest of the season. I would like to thank Francis for his time at Kew. He has been a fantastic player, coach and person and we hope to have him and Jess back with us again in the future. The loss of another four players from last year's 1st XI and a couple of injuries meant the 1st XI struggled after a bright start. The 3rd XI also struggled with no consistent captain during the first half of the season and changing personnel. The 4th XI finished on top after a great home and away season with a good mix of kids and veterans. They were disappointed to lose both finals. Our two veterans' teams once again had a great time. Both teams were competitive and narrowly missed finals. Thanks to Tim Corney for organising it all and captaining the second team. The Hatch team was well coached by Dylan Roberts and finished top of North group before losing in the semi-final. The team was mostly players from our very strong Kew Junior Cricket Club club. The midweek team made up of juniors and seniors is helping to form a close bond with our juniors and thanks to all the senior players who helped out with coaching.

Thanks to Sabrina and Rob for our wonderful afternoon teas and to all the others who helped out when they weren't there. Colin Cust and Bruce Bennett were again the best club umpires in sub district. Vaughan Roberts did a great job as secretary and scorer for the 1st XI and his iPhone scoring app, which provides live 1st XI scores on our web-site, is much loved by supporters who aren't at the game. Bernie Anderson did most of the entering of scores for the other XIs and his efforts are much appreciated. The social committee was well led by Mark Akrigg and most functions were enjoyable and well attended.

We have lots of parents, wives, girlfriends and children down at the club every week and I would like to thank them all for their support. We have a much better database of past players now due to the 150th celebration so next year we are hoping to have some past players and sponsors days. To all our sponsors we thank you for your generosity and encourage our members and supporters to continue to support you.

3. Treasurer's Report

Colin Cust

The financial year resulted in a surplus of \$6,606 compared with \$3,660 last year. This was an excellent result with the return to the main ground pavilion for social activities improving the financial return together with a strong sponsorship campaign.

For the next two years Cricket Victoria is reducing their allocation to the club to \$8,000 per year. Thereafter the dividend is likely to cease. We received a one off \$4,000 grant from Cricket Victoria as part of the payment of \$8,000 we were required to make for the pavilion renovation

The Committee aims to maintain a balance of at least \$60,000 in invested funds to ensure the continuing viability of the Club. Interest earned on invested funds is a major contributor to the operating surplus.

3.1. Financial Statements (Year ended 31 May 2014)

Refer to the Attachments A and B at the end of this report.

4. 150th Anniversary celebrations and the Team of the Century

On the 22nd February this year the Kew Cricket Club celebrated 150 years since the first formation of a Kew Cricket Club with a gala dinner held at the Green Acres Golf Club. Over 150 people attended this special evening to mark this important milestone.

The evening was a great success with past and present players all mingling together and sharing stories about their time and experiences at the club. Radio stalwart, Graeme ‘Smokey’ Dawson, did an outstanding job as Master of Ceremonies for the night and was ably assisted by past player Bernie Hickey.

Kew premiership players and long serving officials in the crowd were acknowledged as were our Test cricketers including Colin Guest and Jeff Moss who were present. A standing ovation was reserved for three members of our 1954–55 premiership team who were in attendance, Ken Jeans, Cec Austen and Alan Fanning. The highlight of the evening was the announcement of Kew’s Team of the Century from its Twenty Best Players of all time.

Team of the Century

Ted Harris
 Jeff Moss
 Harry Parkinson
 Neil Kilpatrick
 Stan Thompson
 Troy Rowe
 Jack Carr
 Jack Hoare
 Ken Jeans
 Cec Austen
 Tom Power
 Francis Gill

Other members of the Twenty Best Players

Mac Atkens
 Les Dahl
 Arthur Harris
 Graeme Paterson
 Ash Robinson
 Brian Simpson
 Graham Vavasseur
 George Wittingslow

All selected players were presented with a framed copy of the team and the top twenty and a board commemorating their achievement will be proudly on display in our clubrooms for eternity.

A great night was had by all.

4.1. Report on our partnership with the City of Boroondara

The City of Boroondara, with some financial assistance from the Kew Cricket Club, funded a major facelift of the pavilion on the North oval at Victoria Park which was finished for the start of the season. We have been lucky in recent years to have had a very good curator, Shane Cosstick, looking after the ovals in Victoria Park and he has consistently provided some of the best conditions for playing cricket of any grounds in the VSDCA. He has often produced a very flat wicket on the north ground with good pace and bounce. The summer grass conversion of the outfield several seasons ago is now very well settled and the Santa-Anna couch results in a considerably faster outfield than other varieties of grass and so provides batsmen with full reward for good shots.

The renovation of the pavilion was a direct outcome of the Victoria Park master plan process. All of the tenant sporting clubs were involved on this committee and we appreciated the opportunity to provide our input along with the rest of the Kew community to this great sport and recreation facility in Boroondara. I would like to thank a stalwart of the Kew Cricket Club, John Doyle, for all his work and time as our representative on this committee.

We now have a stylish pavilion which will be enjoyed by the Kew Cricket Club for many years into the future. Some of the benefits are:

1. The removal of the house at the north end of the pavilion has greatly improved the access to the pavilion for the players.
2. The large spectator veranda now provides an excellent shaded viewing area which is heavily utilised on game day by both the players and spectators.
3. Finally, especially given the extremely hot weather that sometimes occurs during the cricket season, we are thankful that we can now offer the opportunity to players and umpires to rest and recover in the air-conditioned social rooms during afternoon tea.

I would also like to particularly thank David Nankervis of Boroondara council, who stoically listened to a lot of energetic discussion about the pavilion from all of the sporting clubs during the construction process.

5. Awards

5.1. 2013–14 Club Awards

Stan Thompson Award not awarded

Kevin Fisher Award not awarded

Mick Henley Award not awarded

1st XI¹	Ken Jeans Award	Daniel Gledhill	
	Jack Carr – Batting	Daniel Gledhill	404 runs @ 33.7
	Ces Austin – Bowling	Ross Suri	24 wickets @ 21.5
	Performance awards	Daniel Gledhill	108, round 12 v. Balwyn
2nd XI	Kel Emmert Award Colin Cust – Batting John Doyle – Bowling Performance awards	Nick Padbury	
		Matthew Bernet	313 runs @ 52.2
		Mark Akrigg	39 wickets @ 11.9
		Nathan Bernet	125*, SF v. Brunswick
		Matthew Bernet	105*, round 5 v. Kingston Saints
		Lloyd Devlin	124*, round 6 v. Caulfield
		Mark Akrigg	5 for 62, round 2 v. Malvern
		Mark Akrigg	5 for 52, round 6 v. Caulfield
		Mark Akrigg	5 for 16, GF v. Plenty Valley
		Mark Akrigg	5 for 107, QF v. Balwyn
3rd XI²	Gordon Hulme Award Ian Wallace – Batting Tony Ward – Bowling Performance awards	Ed Furey	
		Ed Furey	258 runs @ 32.3
		Peter Langtry	15 wickets @ 13.4
		Ian Aitken	106, round 2 v. Roxborough Park
		Ed Furey	100, round 11 v. Plenty Valley
4th XI	Terry Banfield Award Kelly Masters – Batting Jack Dalziel – Bowling Performance awards	Ian Aitkin	
		Ian Aitkin	445 runs @ 44.5
		Peter Sist	42 wickets @ 11.9
		Ian Aitken	153, round 6 v. Sunshine
		Ian Aitken	5 for 30, round 7 v. Brunswick
		Peter Sist	5 for 44, round 10 v. Williamstown
		Peter Sist	6 for 56, round 12 v. Balwyn
		Peter Sist	5 for 20, round 2 v. Roxborough Park
		Peter Sist	5 for 11, round 6 v. Sunshine
		Peter Sist	6 for 114, QF v. Williamstown
		David Crock	6 for 18, round 4 v. Yarraville
Jim Xenos	5 for 15, round 3 v. Coburg		

¹ 1st or 2nd XI criteria: minimum of half the matches, with batting 200 runs, bowling 15 wickets

² 3rd or 4th XI criteria: minimum of half the matches, with batting 150 runs, bowling 10 wickets

5.2. VSDCA North-South Group Second XI Premiers

Players (from left)

Top row Lloyd Devlin, Michael Westland, Mark Akrigg, Lachlan Marshall, James Wilkinson, David Bratby

Front row Nicholas Cross, Nick Padbury, Nathan Bernet, Matthew Bernet, Bernard Anderson

6. First XI Report

6.1. First XI Captain's Report

Daniel Gledhill

Season 2013–14 was a difficult season for the mighty Kew CC 1st XI. In what started out brilliantly winning the first 3 games out of 4, we started to stumble a bit which was expected to happen after losing some experienced players from the season before in Ben Waterman and Ben Cookson. Some really solid performances early in the season by new boy Tom Kerr, who got us out of a huge hole several times with some hard fought innings, really showed a lot of the other boys how to dig in. Steve Baldwin was outstanding opening up and really demonstrated how a solid pre-season can help in reaping rewards out on the ground. Steve had 263 runs with 3 half centuries after 5 rounds before his season was cut short with a knee injury. Ross Suri, an Englishman trying to learn the Australian form of the game, was clearly our best bowler all season long, as he continually trundled in up the hill in the heat giving his all.

The season was interrupted when our coach Francis Gill moved to Darwin for work, and we lost not only our Captain/Coach with plenty of experience but our opening bowler and number 5 batsman. I was honoured to take over the role from Francis after Christmas and after doing a mini apprenticeship (7 games) I tried not to change much after Christmas and told the boys to continue to stick to our plans and our game style we had under Francis.

I was really appreciative of the way the boys supported me in this role and our plan to get some games into the younger brigade who we hope can lead our club in the future. I believe there were many positives to come out of the season even though our ladder position was not as good as this great club should come to expect.

We blooded several youngsters like Seb Contos who made his 1st XI debut in round 1 against Brighton and also played a pivotal role against Preston after Christmas when we were 6/62, Seb batted beyond his years to turn the strike over with Tim Stewart and was able to help us to a competitive total.

Tim Stewart's cricket came on in leaps and bounds during the season, after a fantastic pre-season where I don't think he missed a session he was rewarded with a 1st XI game in round 1. Although Tim may not have taken as many wickets as he would have liked, I believe the full season of 1st XI cricket will be very beneficial for him in the future. Tim also managed to compile a very handy 181 runs in the lower order and also helped to get us out of many sticky situations. Jack Cubley arrived at the club this season thanks to Kelly Masters and after playing a couple of games in the 3rds he was quickly pushed up into the 2nd XI where he got some good experience under his belt and was rewarded with his 1st XI debut in our last round game against Ivanhoe. Jack batted really well and combined with this seasons coach Justin Graham to help build a competitive total. Jack made a fine 30 and proved to many that he is a kid for the future and we will no doubt see a lot of Jack in the 1st XI in the near future. Ryan Baker came back from a shoulder injury after Christmas and it was as if he never left, bowling fantastically and really become a reliable wicket taker and at-the-death bowler.

I would personally like to thank the committee for giving me the opportunity to lead this great club and gain the experience that I hope will be beneficial for both the club and me in the future. Gilly for taking me under his wing and informing me of all the details I need to know (realising how much work the coach actually does). Bags, Padders, Pieran and Sisty for their ongoing support at the selection table. Vaughan for his scoring, updating of scores and basically reminding me of things I had forgotten. The players for their support during the changeover from Gilly to myself, Wallo, Col and Brownny for their support every Tuesday, Thursday and Saturday, if I ever asked for anything they always come up with the goods.

Season 2014–15 will be a very exciting season for the club, as we have already managed to sign new captain/coach Justin Graham who will bring us a wealth of knowledge and experience from district level club Melbourne. We have also been lucky enough to sign former Victorian state opening bowler Steven Gilmour, who at the age of only 27 is going to be massive, not only for the 1st XI, but for the club as a whole. The club really needs to build from this platform and jump on board with Justin as there is very exciting times ahead for us.

Go Kew Boys!

7. Second X1 Report

7.1. Second X1 Captain's Report

Nick Padbury

The 2nd XI entered the 2013–14 season wanting to improve on their previous years result of being bundled out of the finals in straight sets. It was therefore a tremendous result and a reward for hard work and persistence that they were able to win the North/South Premiership that had eluded them for so many seasons.

The off-season saw the retirement of a number of quality experienced players such as our two opening bowlers from the previous seasons, Rodd Baker and Simon Ross, and also David Reid our opening batsman. Despite this we entered the season confident that we still had the depth and motivation to once again strive for that elusive Premiership.

With a number of positions in the team up for grabs it was really pleasing that many of our younger guys such as Lachie Marshall, James Wilkinson, Ed Furey, Seb Contos, Liam Ritchie and new player Jack Cubley took their chances at various stages throughout the year and showed that they were definitely capable of making an impact at this level and hopefully in higher grades in the not too distant future.

At the conclusion of the regular season, we found ourselves sitting 2nd on the ladder with 10 wins, 1 draw and 2 losses. Although our final ladder position reflected a strong year I think that most of us would probably agree that our season was best described as being a mixed bag. Firstly we struggled to field a consistent team due to many factors such as injury, school cricket, unavailabilities and promotion to the 1st XI. In fact only 1 of the 24 players that represented the team played every game.

Although we continued to win games it was really on the back of some individual performances at various crucial times of the matches that enabled us to get over the line. Some of these notable performances included:

- Mark Akrigg 5/62 vs Malvern
- Matthew Bernet's remarkable 105no against Kingston Saints when he came in at 4/14 and steered us to victory chasing only 113. Matty was the only player in the team to reach double figures and the scorebook makes for some interesting reading.
- Nick Padbury 5/40 vs Brunswick
- Lloyd Devlin compiling a flawless 124no against Caulfield
- Mark Akrigg 5/52 vs Caulfield

It wasn't until we reached the finals that the team finally clicked and we were able to produce some of our best cricket of the year.

Our quarter-final was to be played at home against local rivals Balwyn who had comprehensively defeated us only a couple of weeks earlier. After losing the toss we were surprisingly asked to bat on what was a typically good Kew wicket. Our batsman finally clicked and we were able to reach 6/327 with Lloyd Devlin 91no, David Bratby 62 and Matthew Bernet 56 the leading contributors.

We were obviously happy with our score but knew there was work to be done as Balwyn had posted a similar score against us just weeks earlier. Our defence started well with an early wicket and from then on we continued to bowl one side of the wicket, which made scoring difficult for the opposition. Finally we were able to bowl Balwyn out for 237 with the competition leading wicket taker Mark Akrigg taking 5/107 from his 24 overs.

Our semi-final was against the only other team that had beaten us during the year in Brunswick. This time we won the toss and once again elected to bat on another flat Kew wicket. However within 20 mins it appeared that this had been a terrible decision as we were reeling at 4/25 due to some terrific bowling from the Brunswick openers. Our finals campaign appeared doomed to end a week earlier than what we had all hoped.

Enter Nathan Bernet and Michael Westland who dug their heels in and fought their way to a gutsy century partnership. Michael Westland's innings came to an end when he was caught behind for 52 and

we found ourselves still in a precarious position at 5/130. Matthew Bernet joined his brother and the two of them continued to dominate the bowling as they also made a century partnership. Eventually our innings came to a close at 6/301 mainly due to Michael Westland's (52), Matthew Bernet (63) and a remarkable finals innings from Nathan Bernet who ended up on 125no.

Defending another imposing score we again started well and had Brunswick 3/25 with Iain Stewart doing some early damage. However as the wicket flattened out the Brunswick batsman started to score more freely and we realised that we had some serious work still left to do. Mark Akrigg and Michael Westland continued to do what we had done well all year and bowl tight lines and soon the required run rate was 10+ an over. It took us to the 77th over to finally take the 10th wicket with Mark Akrigg taking 3/82 off 27 overs, Iain Stewart 2/34 off 9 and Michael Westland 2/72 off 19.

Our Grand Final was to be played at Yarrambat against top of the ladder side Plenty Valley who we had previously beaten by 1 run earlier in the regular season. This time we lost the toss and were made to bowl on what appeared to be another relatively flat wicket.

Plenty Valley started solidly and it appeared that we could be in for a tough day, however opener Lachie Marshall struck twice in the space of a couple of overs and we were back in the game. The momentum was beginning to move our way and a change to slower bowling on a pitch that suited us quickly changed the complexion of the game. From 3/97 Plenty Valley slumped to be all out for 143 thanks to a remarkable spell of spin bowling from Mark Akrigg who ended up with 5/16 off 19 overs. Mark was ably assisted by Lachie Marshall 2/42 off 16 and Nick Padbury 3/26 off 17.

With a victory target of 144 the long awaited 2nd XI Premiership was within our grasp and a solid start from our openers saw us end day 1 on 0/18 with a full day to play on Sunday remaining.

The following day the openers continued their solid start and we reached 33 before we lost our first wicket. From then on things started to crumble as we quickly lost another 5 wickets due to some good bowling and fielding from the Plenty Valley side. At 6/77 with another 67 runs still to win we always knew that there only needed to be one solid partnership within the innings that would get us over the line and luckily this came from Michael Westland (44no) and Nick Padbury (35no) who took advantage of some loose bowling and they quickly put the pressure back on the Plenty Valley bowlers. In the last over before the tea we finally reached our target of 144 and the 2nd XI Premiership was finally ours.

It was a great reward for many of the 2nd XI players who had been playing regular finals cricket over the last few seasons with nothing to show for it. We were very grateful to the many KCC supporters who came out to help get us over the line and help celebrate the victory with us.

In closing I would just like to thank the committee in particular Colin Cust and Robbie Brown for all their tireless work and support around the club. Without these two tireless clubmen we would struggle to play each week and it is something that none of us take for granted so we thank you enormously.

I would also like to thank the people who helped throughout the year such as Duncan Borley for his support along with his dinner preparation every Thursday night and Vaughan Roberts for keeping us on the straight and narrow with regards to Umpires reports etc. To our regular supporters in Hugh Wilkinson and John Gilham and the wives and partners of the players, we also appreciate your support and help with teas at various stages during the year.

I would also like to thank Francis Gill for all the work that he has put into the club over the last few years and to Daniel Gledhill for his support after taking over from Francis halfway through the year. Additionally I would like to thank the senior members of the 2nd XI for their support and advice and I look forward to next season where hopefully we can defend our Premiership.

8. Third X1 Report

8.1. Third X1 Captain's Report

Piran Reitze

After tasting the success of a premiership last year, backing up in season 2013–14 was always going to be a great test for the 3rd XI. Unfortunately for the team our season never really got going, finishing with the record of three wins and a draw from our thirteen outings.

This was largely down to a massive change to the makeup of the squad with more than half of last season's premiership XI moving on to play at a higher level. It was fantastic from a development point of view to see those players getting their chances and as a result the number of younger players coming in to fill their boots. With around ten boys under 20 getting their first tastes of 3rd XI cricket this season the experience will no doubt set them and the club up for stronger seasons in the future.

The presence of club stalwarts in the side aiding the development of the younger players was the most pleasing aspect of this transition. The team really benefitted from Scott Jacobs and Jim Armstrong shrugging off retirement to come and help us out as well as the constant presence of Peter Langtry. As a player who was not long ago a young member of the team I can appreciate the value of having such good mentors directly available for youngsters to learn from.

As a team the 3rd XI struggled to bat out a full innings, which was not necessarily down to a lack of skill in the team but often comes back to its inexperience. Lots of players managed to get themselves in and make a start but across the season were seldom able to go on with it and build a partnership. It was however extremely encouraging to see the likes of young Aston Keys, Dean Mastras, Jack Dawson and Jack Cubley all start to spend some time in the middle and not look out of place.

This seasons batting was led by Ed Furey who amassed 258 runs for the season at an average of 32 – the only batsman to hit over 200 for the season. Other notable contributors were Matthew Anderson (159 at 27) and Matthew Headberry (157 at 14).

Two of our batsmen hit centuries this season:

- Ian Aitken 106 against Broadmeadows, Round 2
- Ed Furey with 100 against Plenty Valley, Round 11

Our bowlers shared a similar fate to our batsmen with a lack of consistency really hurting our ability to put pressure on our opposition. It was, however, an encouraging sign to see that the majority of our wickets were shared around across the team.

Jack Dawson led our wicket takers with 23, ably supported by Matthew Headberry, Harrison Shannon-Brown, Peter Langtry and Scott Jacobs who also took over 10 wickets for the season. Other notable contributions:

- Scott Jacobs 6/42 against Balwyn, Round 12
- Jack Dawson HATTRICK against Broadmeadows, Round 2

To summarise although the results didn't materialise for the 3rd XI in season 2013–14 there is a lot to like heading into next season. The amount of improvement shown across the team last season and the amount still left to come points to a really exciting time in 2015. The gained experience, combined hopefully with increased continuity at the selection table keep the possibility of continuing our trend of the past six years: winning a premiership, missing the finals then winning again well and truly alive.

To finish I'd like to thank Colin Cust and Bruce Bennett for their consistency as club umpires, as well as the whole of the committee for the tireless work they put in behind the scenes. Thanks again to Bags and coaches Francis Gill and Daniel Gledhill for your ongoing support and the opportunity to lead the side again. Also a sincere thank you to those who stepped in, especially Peter Langtry, whilst I was overseas, for their efforts in leading the squad and their support through the back end of the season. Finally to those friends and family who make the trips out to watch us play and help us out on game day, thank you and we look forward to your support again next year.

9. 4th XI Report

9.1. 4th XI Captain's Report

Peter Sist

In terms of win/loss ratio, the Kew 4th XI had a very successful season. We finished clear on top after the home and away season having been beaten only once. Looking back on the statistics we got off to good starts consistently, due mainly to the efforts of Ian Aitken and David Crock, who has become a very good opening bat. Both players scored in excess of 400 runs and averaged over 40. Unfortunately, no other batsmen in our team could boast this consistency.

Having said that, several cameo innings by a number of players including Dean Mastras, Phil Hyde, Jim Xenos, Josh Mannix and Lucas Agnoletto, resulted in us being able to post good enough targets or enabling us to chase down totals.

Our bowling was probably the strong suit for us as a team. Myles Scott, an Under 16 left armer always took wickets at the onset and he will be a future player to look out for. Josh Mannix also provided aggressive fire-power with the new ball. Older heads in Ian Aitken, Jim Xenos and David Crock could always be relied upon when thrown the ball and each of these players took bags of five wickets during the season.

Peter Langtry was a god-send for us this year. His knowledge of the game and his ability to impart this onto our younger bowlers directly impacted on most of our wins. His bowling was also impeccable. Another stalwart of the Kew Cricket Club, who was a great addition to our team, was Jim Armstrong. Jim was often the rock around which we built our scores and his positivity and encouragement on the ground created a 'fortress' like environment when we were in the field.

Fielding, particularly catching was a main let down for us and will be a major focus for us at both pre-season and during general training next season.

I would like to thank vice-captain Jim Xenos and Phil Hyde in particular, for their on and off field leadership and assistance. Their 'good cop, bad cop' attitude on the ground often created a wicket opportunity and confused the hell out of even the most experienced opposition player.

To be blown out of the finals in straight sets was unacceptable and thoroughly disappointing. To be a part of the development of many young players, however, was not. Players like Aston Key, Sam Harden, Lachlan Bangs and the guys mentioned above will all be pressing for selection in higher grades next season. This will force everyone to get better and help our great club achieve the ultimate success it deserves – a 1st XI premiership.

In conclusion, I would like to thank all of the players for their support who played 4th XI cricket this season and the Committee for giving me the privilege of captaining this side.

11. Veterans 2nd XI

11.1. Veterans 2nd XI Captain's report

Tim Corney

The 2013–14 season saw the Vets 2nd XI consolidate its position in C grade after winning the flag in D grade the previous season. Retirements in the Vets 1st XI saw a number of players promoted from the 2nd XI which made room for some new players to come into the side. The season was an up and down affair winning as many as we lost and abandoning one game to rain and having to move another to Xavier due to an unplayable wet wicket. All in all, the season could be described as solid finishing the season one game out of the finals after a consistent season.

Finishing just outside the final 4 was an excellent effort considering the loss of a number of key top order players to the XIs. However the new additions have brought a renewed depth and everybody thoroughly enjoyed another season with no significant or long term injuries to report!

There were a number of significant individual performances throughout the season. The bowling averages were won by P Douros who, despite a dicky knee, bowled very consistently all season. The batting averages were won again by D Cronin who was the standout batsmen, not only for Kew but for the whole competition - being chosen again, for the third season in row, to represent BHRDCA in the inter competition side. The all-rounder award was this year won by A Makowski who came second in both the batting and the bowling averages and was a very consistent and enthusiastic in the field.

We look forward to continuing our success in C grade next year and the bedding down of new players. Once again we thank the club - committee, coach and players for their support and comradeship over the season. We are all looking forward to season 2014–15!

12. Hatch XI

12.1.Hatch XI Coach's report

Dylan Roberts

With a talented group of young players who were eager to work hard and learn, Kew's U15 Hatch Shield team had a campaign which saw the club reach the final four of the thirty-two team competition.

The team was undefeated in their North Group, the only blemish coming from a forced draw with Plenty Valley due to weather conditions, with a comprehensive win over Balwyn CC (3/124 off 23 overs chasing 121) providing a team highlight in the group stages. This match saw some impressive individual performances such as Callum Abrahams taking 2/11 of 6 overs and Charlie Simondson making 58 runs in swift fashion. Charlie provided a number of impressive individual performances to share the award for the best player in the North Group, scoring 215 runs @ 53.8 with a high score of 70 against Coburg.

Possibly the most rewarding win of the group stages came at Preston in Round 4. The team produced a fantastic effort in the field to restrict a strong Preston team to 88 runs off 39 overs – five bowlers took wickets and the team recorded three run outs. Unfortunately the team slumped to 5/69 with very little batting to come, however a determined 7th wicket partnership from Andrew Seal and Kynan Kett (who later lost his wicket) saw us prevail in the last over of the day to finish at 8/90 off 45.

Another of the standout performers was captain, Josh Mannix, who produced the best performance from a Kew player for the tournament in Round 2 against Ivanhoe – finishing with 3/28 off 9 overs and scoring 85 runs in a strong victory. Josh scored 185 runs @ 61.67 in the Group Stage and took 9 wickets @ 18.5. Josh also had some strong performances in the 4th XI for the seniors, taking 7 wickets @ 16.0 and having a top score of 77* against Williamstown.

With Charlie Simondson unavailable for the first two weeks of the finals the teams batting depth was tested. We snatched victory in the first final against Yarraville at Victoria Park with Angus Dowling's 56, Josh Mannix's 2/14 of 7.4 overs and two suicidal run outs from Yarraville the only things saving us from defeat. The following week in the preliminary final we had our most disappointing performance of the tournament, being bowled out for 60 against Bayswater and only claiming one wicket in defence – unfortunately a lot of the boys were off their game at the same time.

While not winning the Shield, the tournament was a successful one for the group who as a whole matched their ability with their performances – special thanks to Hugh Wilkinson who was our stoic scorer for every game of the tournament.

13. BHRDCA Twenty/20 – C grade

Jim Xenos

For the second year running, the Kew Cricket Club and the Kew Junior Cricket Club entered a combined senior and junior team into the BHRDCA T20 competition for the 3 home and away games.

Unfortunately it was a mixed set of result this year with a 4 run loss in our opening game against Nunawading however it must be said that we played their Senior 1st XI and that result was more than admirable. Game two saw the combined Kew side play Koonung who had two “ring-ins”, non-other than Jack Riewoldt and Brett Deledio, two Richmond Football Club stars. In the end they proved to be the difference scoring 31 and 41 respectively allowing Koonung to reach 6/156. In the run chase Kew fell 34 runs short ending up 8/122 with Lucas Agnaletto scoring 36 and being awarded with the signed match ball by Jack and Brett. Game three was a cracker, Kew played Forest Hill. Kew won the toss and elected to bat posting 153. In reply Forest Hill came out swinging however the bowling was tight led by Jacob de Pavia, Myles Scott and Callum Abrahams. They say there is no substitute for youth and there was no better demonstration of that than Angus Dowling’s effort in the field. Forrest Hill required 9 to win off the last over and Angus was involved in 3 last over run outs. His athleticism was amazing turning certain 2s into run outs keeping Forrest Hill to 149. Great final game result when you consider we had 8 juniors representing Kew Seniors.

There is nothing more pleasing than seeing our junior players apply their craft to senior ranks and give it their best which they have shown is more than good enough. It is obvious we have very capable and talented juniors of which the senior players themselves speak extremely highly of. The senior players embraced our juniors at every opportunity and loved playing with them through the year. A huge thanks again to all the parents that continue to sacrifice their time and allow their kids to play as many seniors games as possible through the season. The juniors will play a big part in shaping the result of the Kew 4th XI finals campaign so I encourage all junior members to come along and support. With a bit of luck all games will be home games! We look forward to seeing more new faces at senior games in the 2014–15 season!
